Prayer for the Care of Creation

“O God of the poor, help us to rescue the abandoned and forgotten of this earth, who are so precious in your eyes... God of love, show us our place in this world as channels of your love for all the creatures of this earth” (ibid., 246), God of mercy, may we receive your forgiveness and convey your mercy throughout our common home.

Praise be to you! Amen. (*Pope Francis 2016*)
