6 DAY WAR IN ISRAEL

In **May, 1967**, Egyptian and Syrian troops massed on Israel's borders and Egyptian President Gamel Abdal Nasser filled the airwaves with calls to drive the Jews into the sea. The mood in the 19-year-old-country of Israel was bleak.
Facing five well-equipped, Soviet trained Arab armies, Israel's defeat was virtually a foregone conclusion.

Instead of defeat, Israel achieved a stunning victory. On June 5 at 7:46 AM, Israeli planes destroyed the entire Egyptian air force on the ground. In six days, Israel tripled its territory, gaining the Sinai Peninsula, the Golan Heights, the West Bank, and -- most precious of all -- the Old City and the Temple Mount.
